Somos especializados na locação de containers de alta resistência. Contamos com uma equipe formada por profissionais com know-how para entender as necessidades dos clientes e indicar as melhores opções na locação de containers.

Vantagens da locação de containers:

Variedade de modelos
A AFA Locações conta com vários modelos de containers para locação, prontos para atender as suas necessidades.

Baixo investimento
Com a locação de containers, sua empresa não precisa investir um grande valor na construção do canteiro de obra, em depósitos, áreas de apoio a eventos, etc.

Conservação
Uma das principais vantagens do aluguel de containers é a garantia de ter um produto sempre em bom estado. Profissionais especializados realizam manutenções preventivas e corretivas periodicamente em todos os containers.

Mobilização e desmobilização rápidas
Mobilize ou desmobilize a sua obra ou evento em um prazo muito curto. Em um mesmo dia, podemos entregar vários containers.

Total segurança
- Locação de container produzido em chapa de aço, obedecendo o disposto na NR18 e NR10;
- Portas reforçadas com porta-cadeado;
- Entrada de energia 110V - 220V com tomadas;
- Pintura PU interna e externa;
- Grades nas janelas (conforme o modelo escolhido).
